## General Comment

To Whom it may concern,

In your ongoing attempts to make certain that I am not misled, you may pass a regulation which would seriously hamper my ability to both protect myself and produce income within my retirement accounts. For goodness sakes, please do not hamper my ability to trade within my accounts.

I submit to you that folks who trade options are sophisticated enough to manage their account's without any protection, which actually is a restriction. Please do not pass this provision.

Thank you,

Sincerity,

Stephen Z Braun
